## Route 35: Tottenham to Caledon

Caledon Trailway

Here's a perfect trail adventure for families or new riders. The Caledon Trailway follows an abandoned railway line. Start at the northeast end of the trail in Tottenham, where you can take a one hour ride on a restored vintage locomotive. Head southwest on the trail through Palgrave to Canada's first Great Trail Pavilion at Caledon East. Have lunch at Tom's Family Restaurant or a treat at Four Corners Bakery before heading back through farm fields, woodlots, and across the deep Humber River Valley. Those wanting a longer tour can continue west all the way to Terra Cotta, stopping at Spirit Tree Estate Cidery and Cheltenham badlands.
